

Bold Thinking for Entrepreneurial Support

October 2-4, 2022

This two-day summit offers educational and networking opportunities for **all entrepreneurial support professionals** working with incubators, accelerators, co-working spaces, maker spaces, economic development agencies, universities, Small Business Development Centers, Women's Business Centers, and more.

The Great Lakes International Innovation Summit began in 2016 as a **collaborative event** co-hosted by the Michigan Business Innovation Association and the Wisconsin Business Innovator's Support Association. It expanded to include other Great Lakes states, such as, Indiana, Illinois, Michigan, Minnesota, Ohio—as well as Canada!

Be a part of this regional summit by sponsoring today. Email Jthomas@niic.net.
